## AGENDA

*(Item number correspond to the April 27, 2006 Business Meeting Agenda number)*

**NOTE: Ex Parte Communications are prohibited on Agenda Item 5286 from the day of the Ratesetting Deliberative Meeting through the conclusion of the Business Meeting at which a vote on the Proposed Decision is scheduled. (Rule 7(c)(4)).**

- 5286      A04-12-014 – Southern California Edison Company (SCE).**  
I05-05-024 – Related matters. This decision addresses the general rate increase request of the Southern California Edison Company (SCE). For test year 2006, SCE is authorized a revenue requirement of \$3,704,039,000, which reflects an increase of \$287,862,000 or 8.43% over the previously authorized level of \$3,416,177,000. The adopted methodology for calculating post-test year revenue requirements results in additional revenue requirement increases of \$137,982,000 (3.73%) for post-test year 2007 and \$190,141,000 (4.95%) for post-test year 2008. On a general rate case (GRC) revenue basis, when reflecting the effect of increased sales for the test year and post-test years, the revenue increases amount to \$228,202,000 (6.57%) for 2006, \$68,173,000 (1.81%) for 2007 and \$101,623,000 (2.59%) for 2008. On a total system revenue basis, the revenue increases amount to 2.29% for 2006, 0.67% for 2007 and 0.98% for 2008. These proceedings are closed. (Comr Brown - ALJ Fukutome )
